I would like to extend an invitation to all of you to come to Miami to participate in this first ICTF Technical event. As you are aware, part of the promotion requirement is participation in a Technical Course required at every level of Black Belt and especially if you are planning to teach it either presently or in the future. The deadline for registration will be April 24, 2005 after which there will be a US \$25.00 late fee.

This course is open to all ranks, as per the Policy manual and can be taken for fun or for credit, see attached. Please note that in order to get credit for the course there will be a written test at the end of the course and in order to receive certification a passing grade of 75% up to 3rd degree, 85% from 4th to 6th and 95% from 7th to 9th degree will be the minimum required. You will also receive time off from your waiting time for your next rank by taking this course.

Walt Disney is only a few hours north of Miami and the Keys are only a few hours South, so come and make a vacation out of this great course. Money back if you don't learn at least one new thing !!! There may be evening elective courses offered on a variety of subjects as well. Look forward seeing you in Miami. Please RSVP with your preliminary plans to [www.chitkd1@bellsouth.net](mailto:www.chitkd1@bellsouth.net) or call 305-254-1616, or write 12122 S.W. 131 Ave., Miami, FL 33186. The course will start 9:00 a.m. on Friday, June 24 and run through 6 p.m. with 1 hour for lunch, every day.
